

ELECTRIC FILE WORKSHOP

Cost: \$125 / Location: Eastern Esthetics
Instructors: Kayla Deveau & Mariah Chatelaine

Schedule TBD: 1 hour theory, with 2 hours of practical.
Participants are required to bring their own e-file.

Enhance your skills and boost your efficiency with specialized training in electric file techniques. This class will help participants reduce fill time and work more effectively. Gain confidence in using an e-file while learning about various bit options, along with essential sanitation and disinfection procedures.
